

# Norcros plc & Norcros Group (Holdings) Ltd

## Modern Slavery Act Statement

---

### Introduction

This statement contains a summary of the measures taken by Norcros to implement the requirements of the Modern Slavery Act 2015.

### Overarching Objective

Norcros is committed to the best corporate practices and ethical values. The Company undertakes its business in a lawful manner and takes reasonable measures to require the members of its supply chains to do the same.

*We are committed to the eradication of slavery and human trafficking,  
both within Norcros and in its supply chains.*

### Actions Taken

During the year 1 April 2016 – 31 March 2017 the Company has taken the following key steps to meet the requirements of the Act:-

- Implementation of compliance policies and procedures
- Continuing reinforcement of existing policies covering ethical business practices and legal compliance
- Appropriate training of senior management with the requirements of the Act
- Ongoing progress with the continuing liaison with key supply chain partners to establish their commitment to the eradication of slavery and human trafficking

### Approved by the Company

Approved by Norcros plc and Norcros Group (Holdings) Limited on 13 June 2017
